The Lynchburg Amateur Radio Club, Inc., is a group of Amateur Radio Operators (aka "Hams") dedicated to all phases of Amateur Radio, organized as a non-profit non-stock Virginia Corporation. As a club, we act to promote good will, offer public service and benefit our community, while enjoying our hobby. LARC, Inc., is an ARRL affiliated club and participates in many League related activities including ARRL Field Day and Simulated Emergency Test exercises through ARES/RACES. You are encouraged to join the American Radio Relay League, membership applications are available at www.arrl.org.

Meetings are held on the **Second Friday** of each month at **7:30 pm** at the Fire Training Center, off Airport Road. Following a short business meeting, a program of interest to all Radio Amateurs is generally presented. Light refreshments are served before and after the meeting. Everyone is welcome, please come and visit. Most meetings are also streamed via Zoom, and that information is sent to the membership on the club reflector, on Groups.IO. You may choose to join the reflector by indicating your interest on the application
